PRAIRIE CHURCH BELGIAN DUBBEL
Dotted across our endless Prairie landscape sit used, and unused little white relics to remind us of the sacrifices our settlers made to call this great state home, and the lives that they tried to forge here. Prairie Church was conditioned for 3 months before serving. **Served in a 22 ounce bottle.** ABV:9.8%

REINSDYR NORDIC BEER / JULØL
A Norwegian tradition that extends from the largest to the smallest of breweries. Brewed with spruce tips, and juniper berries, Reinsdyr is full bodied ale with a pine finish. ABV:6.5% **Served in a 22 ounce bottle.**

LATIFRONS SESSION DDH IPA
The enormous Latifrons was the American Bison's prehistoric predecessor that roamed the prairies of what is now North Dakota. My Dad found one of these amazing creature's skeletal remains on the banks of Lake Sakakawea. To honor my father, I named this beer for him. Our house favorite, is dry hopped, full flavored, juicy, aromatic, but amazingly drinkable. Cheers to you Dad! ABV:4.8% IBU:48

MAAH DAAH HEY RED RYE IPA
One of my favorite beers! I am so proud of how the color and aroma exemplifies our thoughts of the Badlands. A lovely ruddy red color with an unfiltered haziness. Dry hopped for aroma. MDH has a light peppery spice, and a crisp hop finish. Named for Maah Daah Hey trail to honor one of ND's most beautiful treasures! ABV:6.3% IBU:41

WAR BONNET DOUBLE NEW ENGLAND IPA
War Bonnet is a hazy, juicy imperial IPA. It is super aromatic, with citrus, pineapple and tropical fruits. Like an actual War Bonnet, this ale is big, bold, and beautiful! Brewed with North Dakota grown barley, white wheat, and oats. It is hopped with huge amounts of CTZ, Azacca, Idaho 7, and Mosaic hops. ABV:8.6% IBU:42
